

**MAY 2020 LOCKDOWN NEWSLETTER**

**STAY SAFE OUT THERE**

The Goose Valley Golf Club

**W**e would like to take this opportunity to send our best wishes of health and safety to all of our Goose Valley members around the world. Although we are confined to our private spaces, we hope that you have all made the most of this valuable time with your families.

Even though our country has been on total lockdown, we wanted to share some updates with you on the upkeep of the golf course as well as some news regarding the golf industry.

Firstly, we have to thank our greenkeeper, Wesley Pain and his condensed maintenance team for their commitment during this time. Wesley has been coming in every second day to look after the primary areas of the course – the greens, fairways and tees, as well as other vital aspects such as fertilization and pest management etc. You will see from the pictures attached that the course is in pristine condition, ready and waiting for you to return for play.

As far as golf reopening goes, the three main bodies in SA golf, (GolfRSA, Club Managers Association and the PGA), met with the minister of sport last Thursday. Their proposal, focusing on the importance of golf in SA, (particularly the need to save tens of thousands of jobs), and the safety precautions needed for each level of lockdown was well received by the minister who has undertaken to inform us when same will be tabled at the National Corona Virus Command Council for a final decision to be made.

**We will be holding thumbs and will keep you all updated...**

"The first thing I'm going to do when this lockdown is over is head straight to my golf course, take out a brand new ball, peg it up on the first tee and give it a freedom smack!!

The second thing I will be doing is hitting a provisional....."

GOOSE VALLEY GOLF CLUB
