

RAIN POLICY

- If players are "rained out" before completing 5 holes, or if the golf course is deemed unplayable by management - a RAIN CHECK will be issued
- "Rained out" is defined as heavy continuous rain for more than 30 minutes, and does not include intermittent showers or cold weather
- Rain checks will be issued for either 9 or 18-holes, at management's discretion
- Rain checks will be valid for 1 month from original date of play and must have been signed and stamped by a proshop staff member on the original date of play to be validated
- "Slow play" does not constitute a reason for a "rain check"
